Hello Edmond,

I just spoke to Rom the collector. He said that Wayne is playing games. Wayne keeps saying he will send email with questions and intent, but the email has not been received. Rom has now left several messages since they last spoke. He is scheduled to call again today. At this point, Rom is threatening filing a law suit. I would like to work it in collections as long as possible to avoid suit, but Wayne will have to respond quickly or we will have no choice but to forward to an attorney.

Marie

Hello Edmond,

Sorry it took me so long to get back to you. I had a few days vacation. When the collector spoke to Wayne on 2-11, he claimed he had a few more questions he would be sending by email. The collector left him a message yesterday. We still have not received the email. Have a great weekend!

Marie

Dear Marie:

1. We only accept the lead free parts which BSI sold to Hunter Micro in 2007.
2. For those leaded part "We DO NOT accept for returning".
Those parts we have been sold to them for more than 1 year.
3. Please ask them to feedback with in 3days. We are thinking either sell the A/R to the third part or bring to the court,

Regards,
Edmond

Happy New Year!! The last note says the collector spoke to Troy and that there will be no answers until after January 1st. It is still early in the collection time though.

Hello Milo,

I forwarded this message to the collector. In the notes he is supposed to call the debtor today because they said they were going to make a payment. I will send you another email after I hear back with more details.

Thank you,
Marie

Hi Marie,

Did Wayne say anything about returning goods to BSI?
It has been a week; we are really eager to know how the collection service is going now.

This is very **urgent!**
Please tell us about it as soon as possible.
Thank you.

Best regards,
milo

Hi Marie,

We want to emphasize again that **we accept the BSI goods return that Hunter Micro directly bought from BSI. But all of the returning goods should be as goods as BSI sent it to Hunter without any damage at the beginning.** We **DO NOT** accept those BSI goods that Hunter Micro bought from the market.

In addition, we are doing with our financial report of the year right now.

Please tell Wayne to provide us a checklist of the returning goods **within 2 workdays.**

(The list must be marked out clearly the **Lot Number, Quantity, Delivery Date**, etc..)

We **WILL NOT** take any returning goods **after 2 workdays** and **Hunter Micro must pay off all the money.**

Please tell Wayne about this.

Thank you.

Best regards,
milo

Hello Milo and all,

Rom has spoken to Wayne a few times. He claims he will do return of part of the merchandise and pay the rest. However, the last few contacts have just been messages to Wayne and he has not called back. It is still early though. Rom did get your disk. I will let you know if I hear anything else.

Marie
